Index to Volume 2

A

Abscess, sterile, complicating alum-precipitated tetanus toxoid (Arnold J. Rawson), 145

Abstracts, 65, 66, 67, 149, 185, 341, 345, 356, 456

- Acquired sensitivity to injectable liver extracts, 67
- Allergic reactions to liver extract, 149
- Allergy and immunotherapy (panel discussion), 65
- Diagnosis of hydatid disease, 185
- Ethylene disulphonate in the treatment of allergic children, 65
- Follow-up studies of pylorospasm in infancy, 66
- Human plasma and serum toxicity, 66
- Hypersensitivity: A neglected phase of allergy, 345
- Idiosyncrasy to mercury preparations in childhood: Report of two cases of reactions to ammoniated mercury ointment 5 per cent and mercury bichloride solution, 65
- Idiosyncrasy to metallic mercury with special reference to amalgam fillings in teeth, 341
- Palindromic rheumatism, 456
- Relation of the dose of antigen to the degree of anaphylactic shock in dogs, 66
- Role of food allergy and hypertension, 67
- Systemic allergic reaction induced by yellow fever vaccine, 67
- Tropical eosinophilia, 341

Acquired sensitivity to injectable liver extracts (Abstract), 67

Allergenic plants, toxic, in Brazil (Correspondence Items), 78

Allergic and anaphylactic reactions, the mechanism of: An evaluation of the role of histamine in their production (Charles F. Code), 457

Allergic bronchitis (Correspondence Items), 183

Allergic children, ethylene disulphonate in the treatment of (Abstract), 65

Allergic dermatitis—eczema: A review of recent literature (Progress in Allergy: Stephan Epstein), 247

Allergic diseases, respiratory, mold fungi in the etiology of (Symposium) (Homer E. Prince, et al), 483, 489, 493, 500

Allergic occupational dermatitis in our war industries (Louis Schwartz), 387

Allergic problem of inductee, soldier and veteran (Captain Henry I. Shahon), 413

Allergic pulmonary consolidations (O. C. Hansen-Pruss, and E. G. Goodman), 85

Allergic reactions following transfusion of human blood plasma (Questions and Answers), 77

Allergic reactions to liver extract (Abstract), 149

Allergic reaction, systemic, induced by yellow fever vaccine (Abstract), 67

Allergic skin diseases in the Navy (Comdr. Marion B. Sulzberger), 380

Allergy and immunotherapy: Panel discussion (Abstract), 65

Allergy and insects (Progress in Allergy: Ethan Allan Brown), 235

Allergy and vitamins (Progress in Allergy: Ethan Allan Brown), 156

Allergy, Army, Fourth Service Command, 1943 (Sanford W. French and Lawrence J. Halpin), 365

Allergy, clinical, psychiatric studies in (Ethan Allan Brown and P. Lionel Goitein), 303

Allergy, evaluation of skin testing (James M. Steele), 17

Allergy, food. The role of food allergy in internal medicine (Herbert J. Rinkel), 115

Allergy, food. II. The technique and clinical application of individual food tests (Herbert J. Rinkel), 504

Allergy in Mexico (Mario Salazar Mallen), 433

Allergy in otolaryngology and ophthalmology: A review of the recent current literature (Progress in Allergy: French K. Hansel), 165

Allergy in practice (Book Review), 454

Allergy in relation to the genito-urinary tract (J. Warrick Thomas and Vernon P. Wicksten), 396

Allergy, minor, diagnostic value of certain symptoms of (Book Review), 84

Allergy of the central nervous system (T. Wood Clarke), 189

Altose, Alexander: A letter from the front, 128

American Academy of Allergy, first annual meeting (News Item), 361

American College of Allergists

First annual meeting (Editorial), 233

Program, 129

Anaphylactic and allergic reactions, the mechanism of: An evaluation of the role of histamine in their production (Charles F. Code), 457

Anaphylactic shock in dogs, relation of dose of antigen to degree of (Abstract), 66

Anemophilous trees in New Orleans, pollination of (Wm. T. Penfound), 315

Anesthetic of choice for emergency operation when patient is having bronchial asthma (Questions and Answers), 77

Annual critical survey of the recent literature on bronchial asthma (Progress in Allergy: Leon Unger), 49

Annual meeting, first, American College of Allergists (Editorial), 233

Annual review of recent literature on hay fever (Progress in Allergy: Helen C. Hayden), 41

Army allergy, Fourth Service Command, 1943 (Sanford W. French and Lawrence J. Halpin), 365

Art of interpreting the pulse-diet record in familial nonreaginic food allergy (Arthur F. Coca), 1

Asthma and hay fever foundation (News Item), 359

Asthma, bronchial, anesthetic of choice when patient is having (Questions and Answers), 77

Asthma, bronchial, annual critical survey of the recent literature (Progress in Allergy: Leon Unger), 49

Asthma, bronchial, proprietary drugs and mixtures commercially available for the symptomatic and adjuvant treatment of (Progress in Allergy: Ethan Allan Brown), 29

Asthmatic patient, protection of, against lung irritants: With special reference to chemical agents used in warfare (Karl J. Deissler), 225

Athlete's foot, bread mold preventive cures (Abstract), 64

B

Babkin, B. P.: Secretory mechanism of the digestive glands (Book Review), 363

Baer, Rudolf L., and Sulzberger, Marion B.: The 1943 yearbook of dermatology and syphilology (Book Review), 187
